Yash Diwan

ABOUT ME:

I am a passionate tech enthusiast fueled by curiosity and a desire for constant learning. I tackle challenges head-on and am determined to persevere, always eager to grow and contribute meaningfully.

MY OBJECTIVE

I seek to build a strong foundation in key areas like data structures, algorithms, and programming. My goal is to enhance my technical skills through hands-on projects and start applying theoretical knowledge to real-world challenges. I'm also eager to explore various domains within computer science and technical clubs to gain practical experience and improve my abilities, all while preparing for future opportunities in the field.

PERSONAL SKILLS

- Work under pressure
- Creativity
- Communication
- Time Management
